MAYORAL MINUTE(S)

Item 1 End of Term Report (Verbal Report)

(A1-14, E4-43)

Today's monthly meeting constitutes the last formal monthly meeting for this term of Warren Shire Council.

I formally thank all of the Councillors who have diligently applied themselves to undertaking the obligations of being a Councillor by attending and contributing to Council and Committee Meetings and by having as their guiding principle the achievement of outcomes that benefit our community.

I am proud that many of the infrastructure projects that were initiated in this and the previous term of Council have now been completed or are near completion. Think of the library upgrade, the new lights at Victoria Oval and at the outdoor netball courts, solar panels on Council buildings, and of course the facilities which we will either open or inspect today. These namely are the Airport Terminal Building, upgrade projects at the Showground Racecourse Complex, cross connections of our water supplies, the transfer station at the Ewenmar Waste Facility, ongoing projects at the Carter Oval Youth Sport Precinct and progress with the new Amenities Building at the Warren War Memorial Swimming Pool.

Our roads, despite difficulties arising from flooding, continue to benefit from upgrades and will continue to do so for a number of years with reconstruction on the Nevertire-Bogan Road and the Marthaguy Road as well as reseals and gravel resheeting all planned for the near future. We will also see the town levee upgraded and two (2) new bridges on the Warren Road.

But it hasn't been all about infrastructure.

I was particularly heartened by the Council and community response to the five (5) flood events in 2021 and 2022. We have seen health services stabilised with the Royal Flying Doctor Service assuming management of the Warren Familiy Health Centre.

I pay tribute to three (3) Councillors not seeking re- election to the next term of Council.

Councillor Druce, thank you for your work over several Committees during your two (2) terms as a Councillor but in particular as Chair of the Showground Racecourse Committee, Chair of the Ewenmar Waste Depot Committee and as a member of the Warren Health Action Committee. You should be proud of your achievements.

Minutes of the Ordinary Meeting of Council held in the Council Community Room, 115 Dubbo Street Warren on Thursday 22nd August 2024 commencing at 8:34 am

MAYORAL MINUTE(S) CONTINUED

Councillor Walker, thank you for your work during your two (2) terms as a Councillor, again on a number of Committees but particularly in the Interagency space, in Health and in relation to the Ewenmar Waste Depot Committee.

Councillor Taylor, twenty five years of service. I commend you on your leadership of the Airport Committee, the Town Improvement and Promotions Committee, the Traffic Committee, the Australia Day Committee and the Liquor Accord. I have personally valued your input into the Sporting Facilities Committee. Beyond that, as a very public face of Council because of your visibility in business, thank you for referring so many small problems or queries on to Council staff quickly, meaning that residents concerns and problems could be dealt with minimal delay.

Finally, I pay tribute to our late colleague Councillor Ron Higgins, for his advocacy in seeking the construction of a skate park and in his position as Chairman of the Water and Sewerage Committee.

Thank you to our staff, led by our General Manager, Gary Woodman, our Divisional Manager of Engineering Services, Sylvester Otieno, our Divisional Manager of Finance and Administration, Brad Pascoe and our Manager of Heath and Development Services, Maryanne Stephens and more broadly to all staff who ensure "things get done".

For my personal thanks to Jody Burtenshaw, Executive Assistant to the Mayor and General Manager. Jody, you go above and beyond in your role. Nothing is ever too much trouble. I have valued your support enormously. You are the backbone of this organisation.

Finally, thank you to my Deputy Mayor, Sarah Derrett and to all my fellow Councillors. Councillor Derrett, I have valued your perspective and sensible thinking on any number of matters, likewise, Councillors, I believe that in a collective and collaborative way we have reached well considered, sensible decisions on the vast majority of matters that have been put before us. I believe we leave Warren and its residents in an enviable position at the conclusion of this term of Council. May the next Council build on what we have achieved.

MOVED Quigley that the information be received and noted.
