SCHEDULE 1

ADVERTISEMENT FOR THE POSITION

Heavy Diesel Mechanic

Position Vacant Heavy Diesel Mechanic

Warren Shire Council is seeking a motivated and skilled Heavy Diesel Mechanic to join their team on a full-time basis.

This position offers an exciting opportunity to expand your knowledge and work on a variety of different machinery. You will be part of a small team responsible for the efficient servicing, maintenance and repairs of Council's plant fleet, both in the workshop and in the field.

To be successful in this role, you will possess a Certificate III in Heavy Commercial Vehicle Mechanical Technology, have your Motor Vehicle Tradesperson Certificate (MVTC) and a minimum of 2 years post-trade experience as a Heavy Diesel Mechanic.

Further information on the role, including a full list of essential and desirable criteria, can be found in the information package.

Employment Conditions

- Salary Range: \$1,266.00 - \$1,468.56 per week depending on qualifications and experience
- Adverse Working Conditions Allowance – currently \$18.28/week
- Superannuation per the superannuation guarantee (currently 11%)
- 9-day fortnight
- Leave provisions as per the Local Government (State) Award

Applications

An information package **must** be obtained by attending the Administration Office, 115 Dubbo Street, Warren or by visiting Council website <https://www.warren.nsw.gov.au/council/employment>

All applications should include a Resume and a completed 'Employment Application Form' (obtained in the information package) along with two (2) recent references/referees.

The successful applicant will be subject to a pre-employment medical assessment prior to confirmation of employment.

Applications can be lodged:

- Via mail – P.O. Box 6, Warren, NSW, 2824
- In person – 115 Dubbo Street, Warren, NSW, 2824
- Via email – hr@warren.nsw.gov.au

For enquiries, contact Sylvester Otieno on (02) 6847 6600 or email hr@warren.nsw.gov.au

Warren Shire Council recognises the skills and attributes of Veterans and welcomes applications from ex-service personnel.

Council is an Equal Employment Opportunity employer.

SCHEDULE 2

POSITION DESCRIPTION

Heavy Plant Mechanic

Position Description

Position Title:	Heavy Diesel Mechanic
Department:	Engineering Services
Classification:	Band 2 Level 2
Grading:	Local Government (State) Award 2020. Progression between Grades 1-5 in line with Council's Salary System.
Hours of Duty:	9 day fortnight, 38 hour week 7.00am start 4.15pm finish (Winter), 6.15am start 3.30pm finish (Summer) 30 minutes lunch break.
Annual Leave:	4 weeks per year
Immediate Supervisor:	Workshop Co-ordinator
Responsible Officer:	Divisional Manager of Engineering Services

Position Objectives:

The position of Heavy Diesel Mechanic is one (1) within a team of workers responsible for the efficient repair, monitoring, servicing and maintenance of Council's vehicles, plant and equipment.

It is a requirement of the position that the person be able to work in a team environment and on an individual basis and go about their work in a planned way with a minimum of problems and maximum efficiency.

It is also expected that the incumbent is a person who can lead and motivate others in the team, pass on trade skills to others and solve most problems as they arise without reference to the supervisor.

Qualifications, Licences and Experience:**Essential:**

Certificate III in Heavy Commercial Vehicle Mechanical Technology or obtaining.

Motor Vehicle Tradesperson Certificate (MVTC)

Minimum 2 years post-trade experience as a Heavy Diesel Mechanic

Class MR Driver's Licence

Construction Induction Card (White Card)

Welding experience – MIG, Oxy and Stick

Desirable:

TFNSW Light/Heavy Vehicle Examiners Certificate

Refrigerant Handling Licence

First Aid Certificate

Confined Spaces Course

Class HC driver's licence

Certificate of Competency: Forklift

Schedule of Duties:

- Be aware of plant and equipment capabilities
- Repair and maintain Council plant and machinery
- Service Council plant and machinery
- Ensure plant, equipment and machinery is fully operative and in safe working order and always operated in a safe and legal way in accordance with all relevant Acts
- Ensure that all safety equipment and clothing is used where required in the correct manner
- Liaise with immediate Supervisor with regard to daily and weekly works
- Initiate instructions to and supervise staff under direct control of the Heavy Diesel Mechanic
- Organise daily plant and material requirements, organise stores requisitions
- Ensure that all work sites are left in a neat, tidy and safe condition
- Prepare insurance reports as required
- Attend training sessions associated with the position as required
- Ensure that there is no wastage or misuse of resources
- Carry out other duties as required that are within the limits of the employee's skill, competence and training.

Customer Service

- Project and promote the image of Council as both positive and efficient through maintaining professional standards and presentation.
- Attend to enquiries from internal and external customers promptly and professionally.
- Communicate effectively and sensitively with both internal and external customers.
- Objectively solve disputes and/or problems that may arise with internal and external customers
- Work cooperatively with other organisations

Work Health and Safety Responsibilities

All employees are responsible for WHS at Warren Shire Council and their duties include:

- Working in a safe manner without risk to themselves, others, Council's equipment or the environment;
- Reporting all WHS hazards and incidents to their supervisor;
- Reporting all injuries and illnesses to their supervisor and the Work Health Safety/Risk Officer within 24 hours;
- Providing suggestion, through agreed consultation method, on how to improve WHS issues;
- Seeking assistance if unsure of WHS procedures;
- Reporting any faulty equipment or plant to their supervisor;
- Participate in WHS consultation arrangements in your workplace;
- Complying with any Return to Work Plan if injured;
- Correctly using all personal protective equipment; and
- Complying with emergency and evacuation procedures.

Physical Demands

The position holder is required to be physically fit as they are likely to be exposed to a range of indoor and outdoor workshop conditions as well as field servicing and repair activities, prolonged sitting, and some close eye work.

Key Accountabilities

- Adherence to authorised working hours
- Adherence to adopted safe working practices
- Adherence to adopted works specifications
- Control of plant and materials under direct control of the Plant Mechanic
- Adherence to adopted policies of Council
- Carry out duties as instructed
- Report any problems with plant and equipment, mechanical or otherwise, to the Workshop Coordinator

- Demonstration of good driving/operating and low maintenance record for plant operated
- Advise Workshop Coordinator if unable to attend or complete work or training
- Ensure all records are maintained
- Ensure harmonious and productive relationships exist with all Council staff
- Promote a positive image of Council
- Processing of time, plant, contractor and maintenance management system sheets
- Mechanical condition of all plant and equipment to such a level to promote a positive image of Council
- Expenditure control
- Programming of scheduled maintenance and servicing of Council vehicles, plant and equipment

Output Measures

- Standard of workmanship
- Number of work safety incidents
- Record of staff matters
- Attendance record
- Presentation

Position Skill Descriptors - Trades Band 2, Level 2 (B2 L2):

Authority and accountability: Responsibility as a trainer/co-ordinator for the operation of a small section which uses staff and other resources, or the position completes tasks requiring specialised technical/administrative skills.

Judgement and problem solving: Skills to solve problems which require assessment of options with freedom within procedural limits in changing the way work is done or in the delegation of work. Assistance may be readily available from others in solving problems.

Specialist knowledge and skills: Positions will have specialised knowledge in a number of advanced skill areas relating to the more complex elements of the job.

Management skills: May require skills in supervising a team of staff, to motivate and monitor performance against work outcomes.

Interpersonal skills: In addition to interpersonal skills in managing others, the position may involve explaining issues/policy to the public or others and reconcile different points of view.

Qualifications and experience: Thorough working knowledge and experience of all work procedures for the application of technical/trades or administrative skills, based upon suitable certificate or post-certificate-level qualifications.
