POSITION DESCRIPTION

***Heavy Plant Operator – Road Construction &
Maintenance Crew
(Grader)***

Position Description

Position Title:	Heavy Plant Operator – Road Construction & Maintenance Crew
Department:	Engineering Services
Classification:	Operational Band 1 Level 4
Grading:	Local Government (State) Award Progression between Grades 1-5 is in line with Council's Salary System.
Hours of Duty:	9 day fortnight, 38 hour week 7.15am start 4.30pm finish (Winter), 6.15am start 3.30pm finish (Summer) ½ hour lunch
Annual Leave:	4 weeks per year
Responsible Officer:	Divisional Manager Engineering Services
Immediate Supervisor:	Roads Overseer

Position Objectives:

The position of Heavy Plant Operator - Road Construction and Maintenance Crew is one within a team of at least two or three people whose principal duty is the maintenance and construction of Council's sealed and unsealed road network.

It is a requirement of the position that the person be able to work together in a team environment and on an individual basis and go about their work with a minimum of problems and the utmost efficiency. Also required of the position is someone who can lead and motivate others of the team and solve problems as they arise. Works include but are not limited to Heavy Plant Operation but may also involve operation of other Council plant at various times and places.

The occupant of the position is required to travel or camp as directed; and must be prepared to work out of hours as required.

Qualifications and Experience:

Essential:

General Construction Induction Card (White Card)

Class LR driver's licence

Desirable:

School Certificate

Plant Operation Course

Supervision Course

Civil Construction (Plant) Certificate III

First aid certificate

Traffic Control Worksite Planning certificate

Stop/Slow certificate

Schedule of Duties:

- Be aware of plant and equipment capabilities
- Ensure plant, equipment and machinery is fully operative and in safe working order and always operated in a safe and legal way in accordance with all relevant Acts
- Ensure that all safety equipment and clothing is used where required in the correct manner
- Liaise with immediate supervisor with regard to daily and weekly works
- Initiate disciplinary action on staff under control of the Heavy Plant Operator - Road Construction and Maintenance Crew as required
- Issue instructions to and supervise staff under direct control of the Heavy Plant Operator - Road Construction and Maintenance Crew
- Organise daily plant and material requirements, organise stores requisitions
- Ensure that all work sites are left in a neat, tidy and safe condition
- Prepare insurance reports as required
- Attend plant schools, seminars, training sessions associated with this position if required
- Ensure that there is no wastage or misuse of resources
- Carry out other duties as required by the Manager Engineering Services and/or Operations Manager/Roads Overseer.

Customer Service

- Project and promote the image of Council as both positive and efficient through maintaining professional standards and presentation.
- Attend to enquiries from internal and external customers promptly and professionally.
- Communicate effectively and sensitively with both internal and external customers.
- Objectively solve disputes and/or problems that may arise with internal and external customers.
- Work cooperatively with other organisations

Work Health and Safety Responsibilities

All employees are responsible for WHS at Warren Shire Council and their duties include:

- Working in a safe manner without risk to themselves, others, Council's equipment or the environment;
- Reporting all WHS hazards and incidents to their supervisor;
- Reporting all injuries and illnesses to their supervisor and the Work Health Safety/Risk Officer within 24 hours;
- Providing suggestion, through agreed consultation method, on how to improve WHS issues;
- Seeking assistance if unsure of WHS procedures;
- Reporting any faulty equipment or plant to their supervisor;
- Participate in WHS consultation arrangements in your workplace;
- Complying with any Return to Work Plan if injured;
- Correctly using all personal protective equipment; and
- Complying with emergency and evacuation procedures.

Physical Demands

The position holder is required to be physically fit as they are likely to be exposed to a range of outdoor activities and also prolonged sitting, and close eye work.

Key Accountabilities

- Adherence to authorised working hours
- Adherence to adopted safe working practices
- Adherence to adopted works specifications
- Control of plant and materials under direct control of the Light Plant Operator – Road Construction and Maintenance Crew
- Adherence to adopted policies of Council
- Carry out duties as instructed
- Report any problems with plant and equipment, mechanical or otherwise, to the Plant Foreman
- Demonstration of good driving/operating and low maintenance record for plant operated

- Advise Roads Overseer if unable to attend or complete work
- Ensure all records are maintained
- Ensure harmonious and productive relationships exist with the Council staff
- Promote a positive image of Council
- Processing of time, plant, contractor and maintenance management system sheets

Output Measures

- Standard of workmanship
- Number of work safety incidents
- Record of staff matters
- Attendance record
- Presentation

Position Skill Descriptors - Operational Band, Level 4 (B1 L4):

Authority and accountability: Responsible for supervising staff in operational duties or for work requiring independence in the application of skills, subject to routine supervision. Responsible for quality of work function.

Judgement and problem solving: Option on how to approach tasks requires interpretation of problems and may involve precise judgement in operational areas.

Specialist knowledge and skills: The number of work areas in which the position operates makes the work complicated and a variety of skills are required in its completion. Position may require competence in operation of complex machinery.

Management skills: Supervisory skills in the communication of instructions, training and the checking of work may be required.

Interpersonal skills: Skills are required to convince and explain specific points of view or information to others and to reconcile differences between parties.

Qualifications and Experience: Experience to adapt procedures to suit situations and a thorough knowledge of the most complex operational work procedures to achieve work objectives.
