Position Objectives:

The position of Light Plant Operator – Roller, Road Construction and Maintenance Crew (Roads) is one within a team of at least two or three people whose principal duty is the maintenance and construction of Council's sealed and unsealed road network.

It is a requirement of the position that the person be able to work together in a team environment and on an individual basis and go about their work with a minimum of problems and the utmost efficiency.

Works include but are not limited to roller operation but may also involve operation of other Council plant, concreting and general maintenance and construction work at various times and places.

The occupant of the position is required to travel or camp as directed; and must be prepared to work out of hours as required.

Licences, Qualifications and Experience:

Essential:

General Construction Induction Card (White Card)

Class HR Driver's Licence

Traffic Controller certificate

Desirable:

Plant Operation Training

Confined Spaces Certificate

Certificate of Competency as a Truck Mounted Crane Operator (SafeWork NSW)

Certificate of Competency as a Forklift Operator (SafeWork NSW)

First Aid Certificate

Roadwork Signage and Erection Certificate

Schedule of Duties:

- Be aware of plant and equipment capabilities
- Ensure plant, equipment and machinery is fully operative and in safe working order and always operated in a safe and legal way in accordance with all relevant Acts
- Ensure that all safety equipment and clothing is used where required in the correct manner
- Liaise with immediate supervisor with regard to daily and weekly works
- Initiate disciplinary action on staff under control of the Light Plant Operator – Road Construction and Maintenance Crew as required
- Issue instructions to and supervise staff under direct control of the Light Plant Operator – Road Construction and Maintenance Crew
- Organise daily plant and material requirements, organise stores requisitions
- Ensure that all work sites are left in a neat, tidy and safe condition
- Prepare insurance reports as required
- Attend plant schools, seminars, training sessions associated with this position if required
- Ensure that there is no wastage or misuse of resources
- Carry out other duties as required by the Divisional Manager Engineering Services, Manager Roads Infrastructure and/or Roads Overseer

Customer Service

- Project and promote the image of Council as both positive and efficient through maintaining professional standards and presentation.
- Attend to enquiries from internal and external customers promptly and professionally.
- Communicate effectively and sensitively with both internal and external customers.
- Objectively solve disputes and/or problems that may arise with internal and external customers
- Work cooperatively with other organisations

Work Health and Safety Responsibilities

All employees are responsible for WHS at Warren Shire Council and their duties include:

- Working in a safe manner without risk to themselves, others, Council's equipment or the environment;
- Reporting all WHS hazards and incidents to their supervisor;
- Reporting all injuries and illnesses to their supervisor and the Work Health Safety/Risk Officer within 24 hours;
- Providing suggestion, through agreed consultation method, on how to improve WHS issues;
- Seeking assistance if unsure of WHS procedures;
- Reporting any faulty equipment or plant to their supervisor;
- Participate in WHS consultation arrangements in your workplace;
- Complying with any Return to Work Plan if injured;
- Correctly using all personal protective equipment; and
- Complying with emergency and evacuation procedures.

Physical Demands

The position holder is required to be physically fit as they are likely to be exposed to a range of outdoor activities and also prolonged sitting, and close eye work.

Key Accountabilities

- Adherence to authorised working hours
- Adherence to adopted safe working practices
- Adherence to adopted works specifications
- Control of plant and materials under direct control of the Light Plant Operator – Road Construction and Maintenance Crew
- Adherence to adopted policies of Council
- Carry out duties as instructed

- Report any problems with plant and equipment, mechanical or otherwise, to the Workshop Co-Ordinator
- Demonstration of good driving/operating and low maintenance record for plant operated
- Advise Roads Overseer if unable to attend or complete work
- Ensure all records are maintained
- Ensure harmonious and productive relationships exist with the Council staff
- Promote a positive image of Council
- Processing of time, plant, contractor and maintenance management system sheets

Output Measures

- Standard of workmanship
- Number of work safety incidents
- Record of staff matters
- Attendance record
- Presentation

Position Skill Descriptors - Operational Band 1, Level 3 (B1 L3):

Authority and accountability: Responsible for completion of regularly occurring tasks with general guidance on a daily basis.

Judgement and problem solving: Judgement is required to follow predetermined procedures where a choice between more than two options are present.

Specialist knowledge and skills: Application of skills, including machine-operation skills, following training "on the job" or accredited external training over a number of months.
